

VOTE - Voter Outreach Through Education
Washington Secretary of State

**CURRICULUM GRADES K-4
STUDENT HANDOUT, LESSON 2**

THEME: SUCCESS OF YOUR COMMUNITY IS IN THE VOTERS' HANDS

Look at your local community. How are such things as schools, parks, roads, police departments, fire departments, hospitals, and libraries related to voting?

Make a list of services in your community that are affected by voting results and describe how those services might change if people did not vote.
